██████ as if it were a toy gun. ██████ stated ██████ took offense to this and aggressively swung his fists at ██████ several times in an attempt to assault him but did not make contact. ██████ was placed into seclusion for this incident.

CIT Certified Ofc Enright #5370 arrived on scene per my request.

██████ received medical treatment for his injuries prior to my arrival on scene by Navos medical staff.

I took photos of ██████'s injuries which include swelling underneath his right eye and a small cut on the ridge of his nose as a result of ██████'s assault. I submitted the photos to DEMS.

I contacted Navos Mental Health Specialist identified as ██████ who is both a VICTIM/WITNESS of the Assault. ██████ stated while assisting an unrelated patient on the opposite side of the room, she noticed ██████ was talking loudly to a friend and noted this appeared to agitate ██████ who yelled at ██████ to be quiet. After ██████ continued to talk loudly, ██████ stated she witnessed ██████ aggressively approach ██████ from the rear and punch ██████ on the right side of his face with a closed fist with his right hand.

██████ stated she quickly ran over and began separating ██████ from ██████. ██████ stated while attempting to separate ██████ and ██████, ██████ intentionally struck her on the left side of her face with his right elbow.

I noted no signs of apparent injury to ██████'s face. ██████ declined medical treatment on scene.

██████ stated ██████ has an active court order preventing ██████ from leaving Navos. ██████ also stated as of ██████'s admittance to Navos beginning on 08-03-16, he has engaged in a total of 9 documented incidences of aggressive, hostile and often violent behavior towards other patients and staff members including assaults, attempted assaults, verbal threats and a consistent pattern of violent anti-social behaviors towards those around him.

██████ provided me paper documentation of these incidences which I placed into Evidence.

██████ was in seclusion upon contact. ██████ was placed under arrest for Assault SMC 12A.06.010 without incident (G/DL).

I transported ██████ and his property to the SW Precinct for processing. I took photos of ██████'s property and submitted them to DEMS.

██████ and his property were transported to King County Jail where ██████ was booked without incident.

I screened this arrest with A/LT BRITT, JAMES #6770.

I gave ██████ a business card with the case number.
